What is the Fredrick Michael Gibson 5K/10K & Half Marathon Walk/Run for Depression Awareness?

The Free Clinic of Simi Valley is hosting its 4th Annual Fredrick Michael Gibson Walk/Run for Depression Awareness. In 2022, the Walk/Run expands from a 5K/10K to a Half Marathon. The event will be on Saturday, October 15 at Rancho Simi Community Park. This community event seeks to promote positive activities for youth and adults, disseminating resource information to the public, including resources on positive choices, prevention, early intervention, treatment, healthy living and more.

Fredrick Michael Gibson
2/4/87 – 11/6/14

**5K / 10K & Half Marathon Walk/Run • 1K Kids Walk/Run • Free Flu Shots
Blood Drive • Pancake Breakfast • Raffles & Silent Auction • Family Friendly**

How does the Free Clinic of Simi Valley make a difference?

The Free Clinic of Simi Valley is saving lives, improving the health of the community, and reducing health care costs for residents of Simi Valley. The Clinic does this through preventing visits to hospital emergency departments, which are costly and provide no continuity of care.

Free Clinic Services:

- Medical
- Primary Medical
- Pharmacy
- Ophthalmology
- Legal
- Counseling
- Dental
